Professional profile

I'm a Mobile Software Engineer with more than 4 years of experience in the industry. In my spare time, I am also a professional triathlete. During my time in the tech industry, I have had the opportunity to master multiple programming languages such as JavaScript, TypeScript, Python, PHP and SQL, and different tools such as React, Nextjs, React Native, Nestjs and Vuejs. I have participated in diverse projects across multiple industries and with multicultural teams.

Technical skills

Tools:

Visual Studio Code – Xcode - Android Studio – Laragon – MySQL – MariaDB - Postgresql

Programming languages:

JavaScript – React Native – React – React Native – NextJs – NestJs - TypeScript - AWS – Vue – Angular - TailwindCSS - Java - PHP – Laravel - Python – SQL - GraphQL
